Welcome to our

Country Hotel: "The Little Britain Inn"

I would like to introduce myself to you, as a passionate fan of the „Little Britain World“, together with my family: We, that is my wife Monika, our four sons Kevin, Alex, Luke and William and our two daughters Alyson and Emily and me , Gary Blackburn.

My crazy and lovable visions always provide positive topics of conversation. Driven by love for my homeland of Great Britain with its rich culture and history, I would like to create a small „United Kingdom“ in Germany, especially after Brexit, with peaceful, far-sighted and extremely original presentations. So now, together with my family, I have made the dream of our hotel „The Little Britain Inn“ come true.

We have designed and furnished it for you with a lot of love and passion, so that you feel comfortable!

After the artist AndyMo created my vision with a sophisticated work of art in the form of a spectacular graffiti wall in the entrance area of the family business „Baumdienst Sieben- gebirge“, we were also able to win the artist for the realization of the interior design of our hotel, which is unique. AndyMo takes the guests with their emotional and energetic works of art into an imaginative British themed world. In our twelve dif- ferently designed themed rooms, she created an extraordinary „wall design“ with her well-known painterly color scheme. With great attention to detail, she staged a „British Room“, „Scottish Room“, „Sherlock Holmes Room“, „Queen’s Room“, „Harry Potter Room“, „Cornish Room“, „Beach Hut Room“ and „Fairy Room“. and most recently in our house “The Robin Hood Inn” a “Dinner for One Room”, “Agatha Christie Room”, “James Bond Room”, and the “Mr. Bean Room“. In addition, we offer you a penthouse apartment for 1 - 10 people.

We want you to feel comfortable in our house, that we have realized and furnished for you with a lot of dedication and originality in order to create a unique and fairytale-like atmosphere. Experience our wonderful "Little-Britain-World" and let yourself be inspired by Enchant Her Majesty the „Queen“, Mr. Bean or Alice in Wonderland.

Due to its central location, the hotel is an ideal starting point for numerous interesting excursions, Bike tours and beautiful hikes on the Rhine, Moselle, in the Westerwald and in the Siebengebirge to the cultural city highlights in Bonn and Cologne.

The hotel and the non-smoking rooms come with many amenities stylishly furnished.

Relax and enjoy a good night’s sleep in our Egyptian Cotton bed linen.

Enjoy - we wish you a happy time in our „little British king- dom“ with „Secret Garden“
